## MAYSVILLE MAN TO WED

Approaching Nuptials of Dr. C. Tabb  
Pearce and Miss Mary Hall

The Cincinnati papers announce the approach-  
ing nuptials of Dr. C. Tabb Pearce, son of  
Mr. Charles Burgess Pearce, Jr., for many years a  
Bank officer in this city, and a native of old Mays-  
ville as well, and now one of the most promi-  
nent, popular and successful physicians of the  
Queen City, and Miss Mary Hall, one of the  
most gifted actresses on the American stage,  
who has in the past week been liberated by di-  
vorce from a mismatched matrimonial alliance  
and is now at liberty to wed the man who is  
more the ideal of what she considers a hus-  
band should be.

Miss Hall is now a member of Mr. Sotberr's  
company and the wedding will not take place  
until the early coming summer.

Dr. Pearce has leased a palatial residence  
on Chapel street, Walnut Hills, as the home of  
his future bride. Besides having established  
himself as a leading physician, he is prominent  
in the lecture field in matters pertaining to his  
profession.

Here in his native hearth the best wishes of  
his old schoolmates and those who knew him  
as a promising, manly youth wish him God's  
choicest blessings and that his alliance may be  
of the kind that are consummated in heaven.

## JOHN HOWARD LAMAR

Death of This Ex-Maysville Man at  
San Francisco

A telegram to his sister, Mrs. B. W. Goodman  
of this city, announced the death of Mr. John  
Howard Lamar at San Francisco, Cal., on Feb-  
ruary 23d.

Deceased was a son of the late W. W.  
Lamar, and was born in this city.

He was a man of fine attainments, and for  
several years past had been engaged in writing  
advertisements for a big syndicate.

Surviving are a widow residing in Chicago  
and a son, the latter a Paymaster in the United  
States Army in the Philippines.

The funeral will occur at Aurora, Ind., prob-  
ably Sunday, and Mr. and Mrs. B. W. Goodman  
will attend.

## NEGLECT OF HUSBAND

Love's Young Fancies Rudely Shat-  
tered by Unhappy Marriage

Some three years ago, after a courtship cov-  
ering a period of over a year, Miss Lucille Pierce  
and Mr. Louis E. Schauer, a youthful couple, both  
residents of the West End, were married against  
the wishes of the groom's mother.

Shortly after the husband left his young wife  
and took up his residence with relatives in Pitts-  
burgh, where he has resided ever since, ignoring  
all obligations due her as a husband.

In course of time a son was born—Louis  
Joerger Schauer—and since that time the bur-  
den of earning a support for the offspring of  
the unfortunate and unhappy marriage has fallen  
on the shoulders of the wife, who has, with the  
spirit of Spartan, supported herself and babe  
during all the years that have intervened.

Becoming weary and heart-sore over his treat-  
ment, she determined to invoke the aid of the  
law in bringing her trustful husband to a full  
realization of the duties he owed his child.

With this purpose in view she visited Pitts-  
burgh last week, and after securing a lawyer  
in the person of Hon. John O. Petty, one of the  
most prominent and able lawyers at the Bar of  
the "Smoky City," suit was brought for main-  
tenance of the son.

After a thorough sifting and a patient hear-  
ing of the facts in the case the Judge ordered  
that the husband pay to the wife a weekly sum  
sufficient for its care and support until the child  
arrived at the age of 21 years.

Bond was required and given for the carry-  
ing out of the Court's mandate.

## FREE IF IT FAILS.

J. C. Pecor, Druggist, Offers the Peo-  
ple of Maysville Vinol, a Body-  
Building, Strengthening and  
Healing Medicine.

We have a warranted cure for all thin, tired,  
debilitated, nervous people. It is Vinol, the  
most delicious and valuable preparation of cod  
liver oil ever discovered. Vinol tones up the  
digestive organs, cures all stomach troubles,  
makes rich, red blood, creates strength, and  
builds up firm, healthy flesh.

Mr. Frank Graves, a lawyer of Winoski, Vt.,  
writes: "Permit me to say a word endorsing  
the peerless merits of your cod liver oil prepa-  
ration, Vinol. I was in very poor health when  
I bought my first bottle of Vinol, and I wish  
every sufferer could see what it has done for  
me. It brought back my appetite, put flesh on  
my bones, strengthened my nervous system and  
toned up my whole physical condition. Vinol  
simply did wonders for me."

As we have so often stated in these columns,  
Vinol is the greatest strength creator known to  
medicine, and we do not believe there is a per-  
son in this vicinity but what Vinol will benefit  
at this season of the year; it never fails to  
make the weak strong and the sick well.

Vinol is just as valuable for all hacking  
coughs, chronic colds, throat and bronchial  
troubles, and we return money if it fails. J.  
C. Pecor, Druggist.

## THE LITTLE HOMESTEAD.

It has been truthfully said that "The Li-  
Homestead" certainly reaches the heart and the  
better side of mankind. It is predominated by a  
strong vein of comedy and pathos which at  
once charms and holds the auditor, while the  
strong dramatic situations, with the undog of  
the destroyer of home and happiness, furnish  
fitting coloring to a simple wholesome tale which  
teaches a lesson. The author, W. B. Patton, has  
duplicated his success in "The Minister's Son."  
"The Little Homestead" is interpreted by clever  
company of artists, headed by William Macanley.  
At Open-house Wednesday, March 2d. Seats  
on sale Monday at Ray's.

Never before in the history of our business have we been so successful in reducing, in fact almost closing out our  
winter clothing. Our past four weeks reduced price sales left us the smallest kind of margin of profits. To close out  
the last Suit and Overcoat we have left, these profits—and losses on top of them—will be sacrificed in a sale beginning  
Wednesday morning, February 24th, and ending March 5th, that will be an epoch in Maysville's clothing business.  
**Nothing in This Sale is Reserved Except Our New Spring Cravenette Coats.** All of our Stein-Bloch, L. Adler Bros and  
Garson, Meyer & Co.'s Suits and Overcoats are included in these slaughter offerings. **Read the Reductions:** All of  
our \$8.50 and \$10 Suits and Overcoats go at \$6.50; all of our \$12, \$15 and \$16 50 Suits and Overcoats go at \$10; all  
of our \$18 50, \$20 and \$22.50 Suits and Overcoats go at \$15. **All of These Rochester Made.** To give the youngsters  
the greatest bargains we ever offered, one-third of the price of our Children's and Boy's Suits and Overcoats will be  
taken off during the sale. Spot cash will be the only terms. Money returned if displeased with your purchase.  
Don't miss this sale.

WINTER & EVERETT.

The hogpen ordinance has been repealed by  
the Augusta Council.

While en route to the city a few days ago  
with a load of tobacco to be delivered to Mr.  
William Stiles, Mr. Charles Kreutz of the Fern-  
leaf neighborhood was unfortunate in having  
part of his load dumped into the creek near the  
Jersey Ridge pike. His horses did not suffer,  
however, from the over-turning of the wagon,  
and his tobacco was damaged but slightly.

The selection of a Jury to try Mrs. Annie C.  
Oppenheimer of Russellville, Ky., for the al-  
leged poisoning of her child, is now in progress

**An Early Riser.**  
A strong, healthy, active constitution depends  
largely on the condition of the liver. The famous  
little pills known as Dr. Williams' Little Early Risers  
not only cleanse the system but they strengthen  
the action of the liver and rebuild the tissues sup-  
porting that organ. Little Early Risers are easy  
to get, they never gripe and yet they are absolutely  
certain to produce results that are satisfactory in  
all cases. Sold by J. Jas. Wood & Son, Druggists.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James G. Blaine.

It is said that Tsi An will leave Pekin in her new automobile; but not one of her loyal subjects has dared to say how old An is.

THE Elizabethtown News, one of the ablest Democratic papers in the state, owned by HARRY SOMMERS, former Chairman of the Democratic State Committee, says of a bill recently passed by the Kentucky General Assembly:

"The only vicious bill passed by the Legislature is the one providing that registration be extended to cities of the fifth and sixth classes, and that a man shall produce his registration certificate before he is allowed to vote. This bill was not passed to protect the ballot nor to insure any greater honesty in our elections, but for the deliberate purpose of corruption. It relieves voters of all uncertainty of the goods being delivered and will enable the rich and unscrupulous a few days before the election to buy up registration certificates from those who will sell them. The bill should have had as its title, 'A Bill to Promote and Encourage Bribery.'"

CONGRESSMAN HUGHES of New Jersey has presented to the House a statement of the exhibits which are already in possession of the United States Government, and which would, in his opinion, form a splendid nucleus for the proposed National Museum of War, provided for in a bill he recently introduced. He suggests that from the National Museum be taken the collections of Generals GRANT, SHERMAN, SHERIDAN, HANCOCK and other famous American leaders, the camp outfit and military paraphernalia of Washington, and the collections of the CAPRONS, father and son, who gave up

their lives in the War with Spain. Of these the Grant relics are said to be the most interesting and valuable.

The War relics in the National Museum are classed under several heads, those of the Revolution, the War of 1812, the War with Mexico, the Civil War, Indian campaigns, the War with Spain, the insurrection in the Philippines and the campaign in China. Among them is a section of a large oak tree which stood inside the Confederate entrenchments near Spottsylvania Courthouse, Va., and which was literally cut down by musket balls during the attempt to capture the works. Near the old oak stump is all that remains of a United States Flag as it came out of the three days' fight at Salem Church, Salem Heights, Va., for which three Color Sergeants gave up their lives, and for which several others were severely wounded. In the collection of flags is the flag of the Kearsarge, which floated over her peak when she caused the surrender of the Confederate cruiser Alabama; also the first Union Flag hoisted in Richmond, Va., after its evacuation.

The double-barreled shotgun with which Colonel ELLSWORTH was shot and killed by JAMES F. JACKSON in the Marshall House, Alexandria, Va., is another tragic relic of the early days of the Civil War. By its side is the regulation army rifle, with sword bayonet, with which the death of ELLSWORTH was promptly avenged by Sergeant FRANK BROWNELL, one of his soldiers.

Among the Confederate exhibits is found the military coat worn by Colonel JOHN B. MOSBY, the ranger. Another Confederate exhibit is a large decorated China punch bowl, the former property of President Davis, which was captured in the "White House of the Confederacy" when Richmond was evacuated.

## Political Pickings

NOT THE KENTUCKY BREW.

Louisville Evening Post.

Mr. Shafroth would not be considered a good Democrat among the Democrats of Kentucky. The idea of giving up an office to which a Democrat was not elected would, if rigidly applied, dissolve the new Democracy founded at the Music Hall Convention in 1899.

## The Cause of Many

### Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney poison in the blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys, and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## Stop . . . Coughing!

...This is not a command—only...  
...a suggestion. We suggest that...  
...you stop that slight cough here...  
...before it becomes too late. Oh...  
...times people say "Oh, it is only...  
...a slight cough; it will soon...  
...wear off." The cough grows...  
...worse, and they have to resort...  
...to strong medicine and perhaps...  
...have a long sickness. If in the...  
...beginning they had used a...  
...mild remedy they would have...  
...saved themselves and others a...  
...great deal of trouble and worry...  
...There is nothing so annoying as...  
...a hacking cough; it not only...  
...disturbs the one who is cough-  
...ing, but it disturbs and annoys...  
...every one who is in hearing. To...  
...those who are troubled with a...  
...cough we suggest a bottle of...
